1. The following is an examiner's statement of reasons for allowance: The prior art of the record fails to disclose a multi-protocol routing process for extracting information from the MRD (Multi-protocol Routing Database) and subsequently directing the first message to a translation process based on the information and a transport protocol suite process for receiving the second message from the multi-protocol routing process based on the first message and for applying the second transport protocol suite and associated routing instruction to the second message in combination of other limitation recited in claim 1; the step of directing the first message to a signaling protocol translation process for translation into an equivalent second message that is formatted in a second signaling protocol in response to determining that the first message requires a signaling protocol translation, applying a second transport protocol suite to the second message in combination of other limitation recited in claims 31 and 54.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
